## TEDS-21 STUDY

Dear <Parent forename>,

<Twin 1 Forename > and <Twin 2 Forename> are now young adults. This period of life can be both exciting and challenging and with your family's help we aim to gain a better understanding of this stage of 'emerging adulthood'. <Twin 1 Forename> and <Twin 2 Forename> are being invited to take part in this important wave of data collection. We hope that you will encourage them to do so and also help us by completing the enclosed questionnaire. Please return the questionnaire and this consent form in the enclosed Freepost envelope as soon as possible.

If you would prefer to participate electronically you can download our app onto any modern Android or iOS (iPhone/iPad) device. Search for 'TEDS21' in the Google store or 'TEDS 21' in the Apple store. Alternatively use this link <https://studies.teds.ac.uk/join/teds21p> to complete the questionnaire on a PC or laptop.
