

DNA CONSENT FORM

If you would like to help with the TEDS DNA study it is important that you sign this form. As in all research, we can only involve you if you sign.

When you sign this form, you are agreeing to provide a saliva sample by spitting into the small plastic tube provided for use in the TEDS DNA study.

We cannot give you results from the DNA study. The DNA will be used for research purposes only, not for clinical tests. At the end of the study, the remaining DNA might be used in future research that is ethically approved.

 YES, I agree to helping with the TEDS DNA study. I understand that I can withdraw at any time, and that all information will be kept strictly confidential.
